

Overview

One of the advantages of SmartHub is that you can conveniently make payments from your computer. No stamps for you! This document shows you how to add, edit, and delete payment account information that you can use to quickly pay your bill when it's due in SmartHub Web. Rest assured your information is securely stored in accordance with credit card industry data security standards.

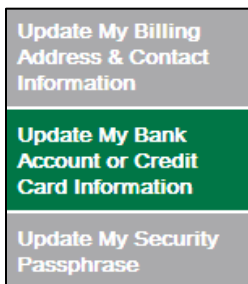

Add a Payment Method

1. From the homepage, click the **My Profile** tab.

2. Click the **My Information** link in the left menu.

3. Click the **Update My Bank Account or Credit Card Information** tab.

The My Stored Accounts page appears.

4. Determine the type of payment method to add (Credit/Debit Card or Bank Account) and click the corresponding **Add new** hyperlink.

Credit or Debit Card

The Add a Stored Credit Card window displays.

- a. Verify your Security Phrase is correct. If not, contact customer service ASAP.

- b. Enter payment method information into required fields which are marked with an (*) asterisk.
- c. Click the **Add Card** button.

Confirmation text appears at the top of the window indicating your card has been successfully added.

- d. Click the **Close** button in the upper right.

The window closes and the Credit/Debit Cards table displays the newly added card.

Bank Account

The Add a Stored Bank Account window appears.

- a. Verify Security Phrase is correct. If not, contact customer service ASAP.
- b. Enter payment method information into required fields which are marked with an (*) asterisk.

Add a Stored Bank Account

Customer ID:

Payment Method: *

Account Description:

Bank Routing Number: *

[Where do I find it?](#)

Account Number: *

[Where do I find it?](#)

Account Type: *
